Provider Rates - Each individual provider sets their own rate for child care services. The State of Minnesota sets the maximum rate that can be paid with Child Care Assistance funds. If your provider's rate exceeds the maximum rate that the state will pay, you will be responsible for paying the difference directly to your provider.

Registration Fee - All counties are identified with a maximum rate. When the provider's registration fee exceeds the county maximum registration payment, the family is responsible for the cost of the registration fee above the county maximum. The county can pay a maximum of two

Accredited Providers - The county will pay a 15% differential above the maximum rate, up to the actual provider charge, if the provider or center

Special Needs Rates - If you have a child with special needs, you and your child care provider can make an application for establishment of a
