In Minnesota, the Food Stamp Program is now called the Food Support Program. Instead of food coupons, you can now use an Electronic Benefit Transfer Card, which is like a bank debit card. This keeps your benefits safe and anonymous.

Want to apply? Contact your county social services office or call 651-431-4050 or 800-657-3698.

Children who don't have good nutrition may not have enough energy to succeed in school. If you're working but the money just doesn't stretch far enough to give your children the nutrition they need, the Food Support Program may be able to help. Check it out! Contact your county social services office or call 651-431-4050 or 800-657-3698.

If your income is low and your money doesn't stretch enough to buy the food you and your family need, it's important to see if you qualify for the Food Support Program. This is a federally funded government program that increases your food purchasing power. You might qualify! For more information, contact your county social services office or call 651-431-4050 or 800-657-3698.

Seniors, do you find yourself having to decide between buying medications or purchasing food? Don't risk your health! The Food Support Program is a way to stretch your dollars and expand your purchasing power for food. If you receive Supplemental Security Income or your assets are below \$7,000 at the time you apply, you may qualify. For more information, contact your county social services office or call 651-431-4050 or 800-333-2433.
